Weekend Host Agreement

This Weekend Host Agreement (“Agreement”) is hereby made and entered into between Saving Grace Animals For Adoption, Inc. (“Saving Grace”) and _____ (“Weekend Host”).

The Weekend Host program is an integral part of the work that Saving Grace does whereby more dogs can be helped, and the host dogs have the opportunity to live in a home prior to adoption.

In consideration of the mutual promises contained herein, Saving Grace and Host agree to the following terms:

- All foster dogs must be approved for host care before they can be taken from Saving Grace and remain owned solely by Saving Grace until such time the weekend host dog is to be returned
- The Host is responsible for the host dog while he/she is in the Host’s care. The Host home agrees to provide a safe temporary home for the host dog while the dog is in his/her care and to abide by all local laws/regulations regarding said dog.
- Dogs hosted for Saving Grace shall only be treated by a vet that works with Saving Grace. Transportation of the host dog to and from Saving Grace for veterinary appointments and treatment shall be the responsibility of the Host. Saving Grace is not responsible for any medical bills acquired for a host dog unless both the veterinarian and the specific treatment are approved in writing through Saving Grace prior to any treatment commencing.
- Most dogs at Saving Grace have come from an animal shelter where they have been exposed to a variety of diseases. Saving Grace is not responsible for the health of the Host’s personal animals. The Host agrees to use appropriate caution and accepts the risk of exposing his/her personal animals to animals from Saving Grace.

- Saving Grace is not responsible for damage done to personal property or injury caused by a host dog while in the care of the Weekend Host. Being in a new home can be stressful for a dog and the Host agrees to exercise caution and appropriate judgment in allowing other persons and/or animals to interact with the host dog.
- The Host is responsible for meeting with potential adopters OR returning the animal to Saving Grace so he/she will be available during adoption hours if someone is interested in adopting. In addition, if the Host wishes to adopt the host dog or knows someone else interested, the Host is encouraged to notify Saving Grace and complete an adoption application. Once another adopter has requested to meet the host dog, that person will have precedence in adoption of that animal if they are determined to be an appropriate home.
- The Host is responsible for bringing the host dog to Saving Grace for necessary medical care such as vaccines, heartworm prevention and frontline. In the event you no longer wish to comply with the terms of this Agreement, you shall return the dog to Saving Grace.
- Saving Grace only adopts out safe animals. If an animal bites or shows any aggression it must be returned to Saving Grace and will no longer be a candidate for adoption. Applications must be approved by Saving Grace before an animal can leave the Host home or Saving Grace.
- The host dog shall be kept solely at the home of the Host and shall not be transferred to another person or kept at another location without written consent from Saving Grace.
