Please read the following carefully:

Saving Grace determines the criteria for fostering and which animals are eligible for foster care. Saving Grace will require a foster application and a Saving Grace Foster Care Agreement. Saving Grace staff will inform you of any medical treatments to be administered, the anticipated length of foster-care, and the objectives of each particular placement (restoring to health, rearing to adoptable age, etc.).

Saving Grace offers to provide all food, crates, and toys for the animal while it is in foster care. The foster parent is responsible for transporting the animals to and from Saving Grace for veterinary appointments, photo shoots, and vaccinations, etc.,

I have read and understand the statements above. I certify that all the information contained in this application is true and correct. I understand that although Saving Grace takes reasonable care to screen animals for foster care placement, it makes no guarantees relating to the animals' health, behavior or actions. I understand that I receive foster care animals at my own risk and can decline to accept any animal for which Saving Grace has asked me to provide care. I acknowledge that Saving Grace is not responsible for any property damage or personal injury suffered by me, members of my household, including my own animals, or any third parties during a foster placement, and I assume liability to provide adequate controls to prevent such damage or injury.
