for that one dog, the world will change forever."

Who are we?

Saving Grace Animals for Adoption is a non-profit organization dedicated to lowering euthanasia rates and promoting adoption in North Carolina. We aspire to foster lifelong connections between well-deserving dogs and families by placing them in successful, nurturing homes. Through support, guidance, education, and service our compassionate volunteer-powered group commits to create a positive, sustainable impact within the community.

Our goal is to foster a compassionate community where we celebrate the joy of pet companionship while advocating for responsible care. To do this we engage in outreach initiatives, partnering with underserved counties with limited resources.

Simply put:
Saving Grace = Saving Lives

Why we need your help!

We are seeking your support in our mission to help animals in need. Each day, countless animals await our care, and their needs are constant. Our work is relentless as we attend to their medical requirements and provide the compassionate care they deserve. Many of these animals arrive without any previous veterinary attention, requiring nurturing and rehabilitation to restore their health. By joining us, you will play a vital role in providing the necessary resources and expertise to give these animals a second chance at a better life.

Can we count on you?

Make a commitment now to help Saving Grace save lives! Your dedication will help us care for our dogs in need today and for years to come.
